Hand-Applied Finish Techniques

Add any combination of these techniques to stains or base coats to create one-of-a-kind Old World finishes!

Physical Distress
Shown on Alabaster base coat with Oyster glaze on Oak

Edgewear
Shown on Black base coat on Oak

Samples of Artisan Washes

Our Artisan Washes are available in the Oaks, Cherry, and Hickory wood species.

White wash on Red Oak

Black wash on Hickory

Gray wash on Hickory

Khaki wash on Red Oak

Note: Washes are only available on solid wood paneled doors. Veneered paneled doors are excluded from these specialty finishes.

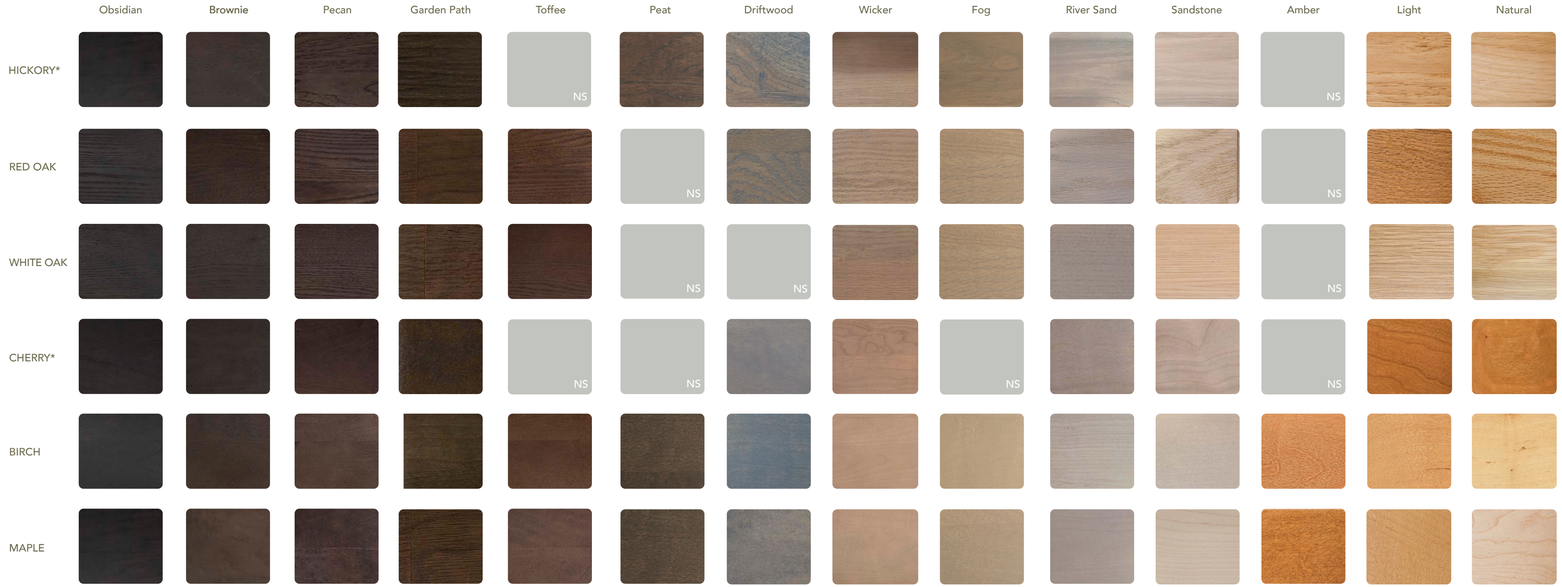
Have you found a paint color that you just can't live without? Our Custom Finish program may be just what you are looking for!

Your Bishop dealer can send a paint color number or a actual sample of the color to us and we will match it.

Stain Finishes *for Framed and Frameless Cabinetry*

Our Standard Stains on Available Wood Species

We offer over 50 different standard stain and wood species combinations to make any cabinet finished beautifully. See your Bishop dealer for actual samples.



** Only available in the Design Elements Collection | NS = Non-Standard stain color - Contact Customer Service at 1-800-410-2444 for samples and more information*
